## **REVISED FISCAL NOTE**

TO: Chief Clerk of the Senate

Chief Clerk of the House

FROM: Fiscal Review Committee Staff

DATE: March 8, 1995

SUBJECT: **REVISED SB 1340 - HB 1729** 

On March 6, we issued a fiscal note on this bill which indicated that:

The fiscal impact from enactment of this bill is estimated to be an increase in recurring state expenditures of \$102,500 and recurring local expenditures of \$20,000.

This estimate was based upon the fiscal note of SB 1578/HB 2250 as it was passed in 1988. For fiscal year 1988-89, an appropriation was made in the amount of \$77,480 to the Department of Human Services, \$18,000 to the Indigent Defense Fund and \$16,500 to local governments. The \$77,400 continued to be appropriated the next year to the Department of Human Services and to the Children's Plan in subsequent years for the purpose of this act, even though the act was never implemented. The appropriations have also continued to the Indigent Defense Fund and local governments.

Since these appropriations have continued to be made for implementation of the provision revived by enactment of this bill, the fiscal impact from enactment of this bill is estimated to be minimal.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
